

Guantanamo Follies

The ultimate pink frenzy
as our pack wrestles night-

ie past his bra and panties.
Panties, and nighties and bras oh my!

The Yellow Brick Road to Democracy
compelling such ensembles
on recalcitrant Arabs.

Panties, and nighties and bras oh my!
Panties, and nighties...

Engendering stress for all, enough
for searching articles in journals, très
professional. And ultimately,

a video game
respecting rape
for Nation.
